Since forming in 2007, Vida has performed to critical acclaim in major UK, USA and European venues. They are sought-after festival artists throughout the UK and Europe and in 2011 Vida made their US debuts in Los Angeles (LMU Guitar Festival) and New York (Baruch Performing Arts Centre). In 2012 Vida were artists in residence at CSU's Summer Arts program in Monterey Bay, California.

Vida released a Bachianas CD in 2017. The Bachianas programme will feature the music of Bach as well as music inspired by Bach, including two new pieces especially commissioned for this project.

Our remaining concert for this season will be on 26th March featuring London Serenata Wind Quintet playing music by Mozart, Ibert, Rossini, Ligeti, Albeniz and Arnold. We are pleased to announce that next season will go ahead and that we intend to hand out Diary Cards at that concert to allow forward planning.

Thank you for your support this season
